

Free 7 day trial offer provided for Option Portfolio Pro from NCMFinancial.com

Option Portfolio Pro gives new users the ability to try out the investment software for 7 days free of charge with no questions asked

Dallas, TX (NCM Financial) January 9, 2010 – Option Portfolio Pro is offering a 7 day free trial with no credit card required and no questions asked. Simply try the software free for 7 days and cancel prior to the expiration of the free trial if you choose not to continue using the service. Once you sign up for the free trial, simply create an account and login to use all of the features.

Free Trial Access:

New users gain access to all of the features with Option Portfolio Pro. These include multiple calculators for put and call options, option analytics for daily market performance, and option portfolio tools for bull and bear markets.

Once the trial is completed, the user will be charged the monthly fee of \$19.99 per month as long as he or she is a customer. The user can cancel anytime if he or she chooses to no longer use the service. As a member, each individual will receive daily updated research and information based on market movements, volume indicators, sentiment indicators, percentage leaders, and much more.

Pricing, Availability, and Location:

Customers gain instant access to the user friendly software and research at www.ncmfinancial.com. The option modeling service is accessible for a monthly fee of \$19.99. Under the agreement, the user receives unlimited monthly usage, access to the website 24/7, and an easy entrance to the website for a passive approach to investing in options. For additional information about NCM Financial; visit www.ncmfinancial.com or call (214)-364-3230.
